

Cape Winelands Tour

COLLECT at the Protea Breakwater Lodge.

Have a taste of nature's best, as you travel through some of our finest wine routes. With superb scenery of oak-lined streets, beautifully preserved historic buildings, lush green valleys and rugged mountains; this tour is sure to whet your appetite!

Our journey begins with the Paarl Region. **Paarl** offers a great window into the Afrikaner culture and tradition. The district is particularly well known for its Pearl Mountain or "Paarl Rock". This huge granite rock is formed by three rounded outcrops that make up **Paarl Mountain** and has been compared in majesty to Uluru (formerly known as Ayers Rock) in Australia. In Paarl you'll have a wine tasting experience and be treated to a **guided Cellar Tour**, a true testament to man's ingenuity and craftsmanship.

Franschhoek ("the french corner") is an old Huguenot village. With its French named streets and estates, the town will make you feel as if you are in France - from another era. You will be completely enchanted by the town's charm and its very peaceful atmosphere. You will get the chance to visit the **Huguenot Memorial** (for your own account) and sample some of its fine wines.

The **Stellenbosch Winelands** offers superb scenery, completely different to the landscape of the Cape Peninsula. Numerous grapes are grown in the region such as Chenin Blanc, Shiraz, Pinotage and the Méthode Cape Classique (local champagne). The town is also home to the prestigious Stellenbosch University. Here you'll enjoy your last **Wine Tasting paired with some fine cheese**. We then head back to the city having had a true taste of Cape Town's best.
